

# GOOD FOUNDATION – TRUE LIFE

## 1 TIMOTHY 6:18-19

Scripture tells us that when we are generous and share what God has given to us, we build a Good Foundation for the future so that we may receive the True Life God makes possible through Jesus.

Will you join our Providence family as we give faithfully in 2023?

<p>Giving should not be hard to do. Here are four convenient ways:</p> <ul style="list-style-type: none"><li>• <i>Set up online giving.</i></li><li>• <i>Drop a check at church.</i></li><li>• <i>Text Providencebc to 73256</i></li><li>• <i>Follow the QR code.</i></li></ul>	<p><b>IT'S EASY</b></p>	<p>God is a giver. We are created in God's image (Gen 1:27) which means that we are created to be givers.</p>
<p>Our giving funds the ministries and missions of Providence.</p>	<p><b>IT'S ESSENTIAL</b></p>	<p>Generosity is a sign of spiritual vitality. Jesus tells us that where our treasure is, our hearts will be also (Matt 6:21).</p>
<p>When each of us gives as we are able, we all participate in God's work of sharing good news in the name of Jesus.</p>	<p><b>IT MATTERS</b></p>	<p>Giving generously lays a good foundation for the future and leads to a life of joyful abundance (1 Tim 6:18-19).</p>

Our goal at Providence is for every giver to become a pledger. We are grateful for your giving to Providence in the past. Your generosity in support of the ministries and missions of our church has been a blessing—and now maybe you're ready to consider making a financial covenant for 2023. Will you take this next step in your commitment to Providence?

## YES, I WILL SUPPORT A GOOD FOUNDATION.

Please detach and return Financial Covenant.

I believe that, as a disciple of Jesus, I am called to give generously as a way to glorify God and help others. Trusting in Jesus to cultivate this spirit of generosity in me—and in God to provide for my daily needs—I gladly make a financial covenant to give generously and sacrificially, based on faith in God's provision for 2023.

This financial covenant represents a contribution of \$ \_\_\_\_\_  per week  per month  per year
